

# AVIVO CF4/SG 15W40 & 20W50

## DESCRIPTION

Premium heavy duty oils with gasoline engine capability that is formulated from highly refined mineral oils and a comprehensive additive package that provide positive synergism to reduce deposition of sludge in the engine parts and maintain cleaner engine parts.

## BENEFITS

1. Outstanding thermal stability.
2. Provides long service life by resisting oxidation and oil thickening.
3. Cleaner engine that contributes to low engine wear and lower servicing costs.
4. Excellent dispersancy reduces the risk of sludge formation.

## APPLICATIONS

Applicable for both gasoline and diesel engine, either naturally aspirated or turbocharged

## TYPICAL SPECIFICATIONS

SAE	Test Method	15W40	20W50
Kinematic Viscosity, cSt	ASTM D445		
@ 40°C		117	168
@ 100°C		15	18.8
VI	ASTM D2270	133	125
Flash Point, COC, Deg C	ASTM D92	210	230
Pour Point, Deg C, max	ASTM D97	-27	-24
TBN , mgKOH/gm	ASTM D2896	7.6	7.6
