

Who is
AVIVO OIL.

Avivo Oil is an engine oil proud to be made in Singapore. We've been in the market for over 8 years with a 100% satisfaction rate - so you can trust us. Our oil is designed with the latest additives that exceeds industry's toughest standards and outperforms all conventional oils. We engineer our oil to maximize your engine's life by controlling deposits and protecting against wear under extreme conditions.

AVIVO FULLY SYNTHETIC ENGINE OIL

Reduces ash deposits in hot sections of the engine to prevent ring sticking and loss of power

Quick oil circulation in all moving parts at the engine start independently from external temperature, even in extreme conditions.

Proven compatibility with catalytic converters to reduce toxic exhaust emissions.

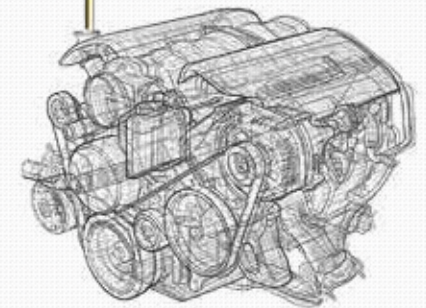

The presence of low-volatility synthetic components with high thermal stability reduces oil consumption due to volatility.

Maintains ideal viscosity under a wide range of conditions.

AVIVO OIL

**THE
BEST
VALUE**

AVIVO HAS THE FULL RANGE OF TOP QUALITY LUBRICANTS FOR AUTOMOTIVE WORKSHOPS, HEAVY EQUIPMENTS AND MARINE EQUIPMENT USERS.

Part no.	Comments	Performance Standards	SAE	KV@ 40 ° C	KV @ 100 ° C	VI	Flash Point ° C	Pou Point ° C Max
AUTOMOTIVE								
Avivo SM/CF	Fully Synthetic Engine Oil, energy conserving lubricant specially formulated for high output engines and vehicles operating under severe temperature and use conditons. The excellent anti-wear protection and outstanding detergent property will keep engines running smoothly and clean.	API SM/SJ/SJ/SF	5W40	98.5	15.0	160	>200	-30
			5W50	119.0	17.5	163	>200	-30
Avivo CF4/SJ	Premium HD Diesel with Gasoline Capability, formulated from highly refined mineral oils and a comprehensive additive package that reduces deposit of sludge and maintains the engine parts cleaner.	API CF4/SJ	30	98.0	11.5	100	>200	-9
			40	160.0	15.5	98	>200	-9
			50	230.0	19.5	96	>200	-9
			15W40	112.0	15.0	139	>200	-27
			20W50	180.0	20.0	128	>200	-24
Avivo CI4/SL	HD Diesel Engine Oil specially formulated additive to address the severe demands diesel engine. The level of alkaline reserve makes it particularly suitable for use with high sulphur fuels with appropriate oil drain intervals.	API CI4/CH4/CG4/CF4/CF2/SL	10W30	75.0	11.0	136	>200	-30
			10W40	96.5	11.0	155	>200	-30
			15W40	112.0	15.0	139	>200	-27
			20W50	180.0	20.0	128	>200	-24
Avivo Dexion ATF III	Premium quality automatic transmission oil based on high viscosity index mineral oils with synthetic oil and carefully selected additives. It has low pour point, appropriate viscosity for the range of working temperatures, oxidation stability, detergent-dispersant, anti-wear, anti-corrosion, anti-rust and anti-foam properties. Compatible with several types of synthetic rubber/seals.	GM; Ford; Allison	ATF DIII H	32.9	71	190	190	210
Avivo Gear Oil	HD, extreme pressure gear oil formulated for more vigorous service demands of differentials, manual transmissions, axles and final drives of automotive fleets. Its special friction properties provide smooth, noise free operation and extended life of these units.	API GL5	80W	95.0	10.2	97	190	-24
			90	210.0	18.5	95	210	-9
			140	450.0	30.5	95	215	-9
			85W90	178.0	16.5	96	200	-21
			85W140	340.0	25.5	98	220	-21
INDUSTRIAL & MARINE								
Avivo Compressor Oil	It is a petroleum -based compressed oil containing special ashless antioxidant, EP agent, anti-corrosion and anti-foaming inhibitors.	VI04C (ASTM D2882, IP-281)	32	30.0	5.2	102	214	-15
			46	46.0	6.4	100	216	-15
			68	68.0	8.8	98	228	-15
			100	96.0	11.0	98	246	-15
Avivo Hydraulic Oil	It is a premium quality hydraulic oil containing anti-foaming inhibitors and stabilized zinc additives to provide excellent anti-wear property.	VI-286-S (Din 51524)	15	15.0	3.4	102	210	-18
			32	31.0	5.2	104	210	-18
			46	46.0	6.4	100	210	-18
			68	68.0	8.8	98	220	-18
Avivo Industrial Gear Oil	It is a range of extreme pressure gear lubricants that have sulphur-phosphorous additives to improve circulatory and bath lubrication of heavily loaded gear units.	DIN 51517; USS spec 224; AGMA 250-4	68	66.0	8.6	98	215	-9
			100	98.0	10.5	96	220	-9
			150	145.0	14.3	96	230	-9
			220	208.0	18.5	96	240	-6
			320	310.0	23.5	95	250	-6
			460	460.0	30.0	95	260	-6
			680	680.0	46.0	105	260	-6
Avivo Marine System Oil	It is a superior quality multi-purpose mono-grade lubricant with total base number 5. This grade is formulated from fine quality paraffinic base stocks with modern additives containing anti-wear, anti-foam, corrosio/rust inhibitor and detergency providing strong basic system oil properties and oxidation control of current system oils, for the new generation of piston cooling.		30	104.0	11.5	96	225	-15
			40	162.0	15.5	96	230	-15
Grease			NL GI Grade	Penetration, Worked @ 25 ° C	Dropping Point	4-ball EP, Weld Load, kgf	Operating Temp Range ° C	Oil Separation, 24hrs @ 100 ° C, %w
Avivo Grease EP2	Lithium Grease is manufactured with lithium 12-hydroxystearate soap thickener. This grease contains extreme pressure additives to provide high load carrying properties.		2	265-295	180.0	200 min	up to 120 ° C	5 max
